Prophecy Fulfilled: The Miracle of Israel's Rebirth

Speaker: Sandy Wezowicz

Podcast: [Israel Unveiled Episode #24](#)

Summary

In this episode, Sandy walks through the dramatic events leading to the rebirth of the modern State of Israel in 1948. From the UN Partition Plan to the end of the British Mandate, and from the hurried secret preparations to the historic 32-minute ceremony, we witness how a 2,000-year dream suddenly became reality.

Against impossible odds, Israel declared statehood knowing war would begin within hours. Yet in the midst of uncertainty, biblical prophecy—“Can a nation be born in a day?” (Isaiah 66:8)—was fulfilled before a watching world. This episode highlights the courage of Israel's early leaders, the miracle of survival, and the faithfulness of God to keep His promises.

Key Scriptures

Ezekiel 36:24 – “*I will gather you out of all countries and bring you into your own land.*”

Amos 9:14–15 – God will plant Israel in their land, never again to be uprooted.
